Letter no L To 140 dated 4/1/32 from the Chairman Bangalore City requesting that in anticipation of sanction orders were placed to relay an existing Tennis court in the municipal garden and certain equipments were purchased and that a total amount of Rs 151-0-0 has been spent in connection with the clay and requesting sanction for the payment of the said sum towards the relaying of the tennis court as a special case

The Chairman requested sanction for the grant of a sum of Rs 500/- to the municipal Club started by the officers of the municipality and he was informed in this office letter no L 426 Rev II 31-13 dated 14/7/32 that there was no provision of law under which the proposed expenditure could be sanctioned by Govt as per Law Secy's Memo dated 21/6/32 (Para 13 of the note in Rev II-31)

The Chairman does not appear to have any order in hastening incurred expenditure in anticipation of sanction was a matter of surprise

The Law Secy may if approved be again consulted

It is not clear under what provision of the Rules the expenditure already incurred can be sanctioned as a special case The expenditure cannot be justified even by regarding the Tennis court as a Municipal Park meant for the use of

To SECRETARY

Secretary to the Government of Mysore,
General Department, Bangalore

No
Sir,

With reference to your letter No L 426/Ml 11-31-138 dated 14th July 1932 stating that there appeared to be no provision of law under which the sum of Rs 500 proposed to be given as a grant to the Municipal Club could be sanctioned by Government, I have the honour to state that in anticipation of the sanction to the proposed grant, orders were placed to relay an existing Tennis Court in the Municipal Garden and certain equipments were pur chased The total amount so far spent is Rs. 151-8-0

On the receipt of the above letter from Government, the subject was again placed before the Municipal Council The resolution of the Municipal Council sanctioning the payment of the amount expended out of Municipal funds as a special case is herein enclosed for information of Government The Tennis Court with its equipments would be Municipal property and will not be given away to the Municipal Club so that the money spent would not go as any grant to the club but form part of expenditure on municipal property Under the above circumstances, I request that sanction of Government may kindly be obtained for the payment of the above sum of Rs 151-8-0 towards the relaying of the tennis court and purchase of equipments etc , as a special case

I have the honor to be,
Sir,
Your most obedient servant,

Municipal Commissioner
